Hello and welcome!

TDS® is excited to welcome military members to Holloman Airforce Base—the friendliest place on earth.

Technology has changed over the last 50 years, but TDS' commitment to providing outstanding products and services has stayed the same. We're proud to serve Holloman Air Force Base and the surrounding communities, and we look forward to delivering exceptional Internet, TV, and phone services for years to come.

At TDS, we don't stop at just providing reliable high-speed Internet, TV, and phone. We are an active community partner, supporting events such as Holloman Sports Day, Summer Reading Program, Military Children's Carnival, Comic Con, the Summer Bash, and the Harvest Festival. For more information about TDS, look for our knowledgeable—and neighborly—representatives at these events, or stop by our Alamogordo office.
