TRAIN LIKE A PRO

We offer a variety of training tools to help you bring out the best in your best friend.

TOP TRAINING TOOLS

LONG LEASH

A long leash is a must-have for dog owners. This training tool is helpful for teaching your pup essential recall and obedience skills. It also allows them to safely explore or play fetch in wide open areas.

ANTI-BARK TRAINING COLLAR

Unlike a shock collar, this Anti-Bark Training Collar is an extremely safe, effective, and humane training tool. When it senses your dog barking, it emits a burst of non-toxic citronella spray to distract your dog from whatever it's barking at.

BASKET CAGE MUZZLE

Designed to fit securely and comfortably on dogs' snouts, this lightweight muzzle is a safe, humane way to prevent barking, biting, and chewing. It's a great situational tool for grooming, trips to the vet, and working with strong, forceful dogs.

*Remember, never leave your dog unattended while wearing a muzzle!
