We have 2 large, active, 18 month labs who love being outside. They each weigh 75 pounds each. Our backyard has turned into a massive mud pit because of the kind of winter we are having. We had always been a 1 dog house. The amount of dirt/mud that 2 of them brought in was driving me out of my mind ... show more

Was looking for something to catch grass and wet feet from not only the dog and grandpa but also the grandkids and playmates who come over to play in the grandkids pool! Though the pool is set up on a patio, there is always grass from the yard, and water tracks from the little ones running in and ou ... show more

I love this doggy mat for wet or muddy paws! The mat makes a GREAT doggy bed, too! Our German Shepherds enjoy laying on this mat as a bed so it would work well for use both inside and outside of a wire crate or plastic kennel. I've been looking for a mat to use inside the vehicle kennel particularl ... show more

In total, I have bought 12 of these (in a variety of sizes) Have some in the motor home, kennels, living room, etc. The dogs absolutely love them. The first one I bought was in April of 2019, so 3 years ago. The rug shows no wear at all, despite weekly washing and drying. I have 7 large dogs, s ... show more
